

**Public Notice on Updating KYC Status of accounts and
Grouping of Multiple Client IDs under UCIC**

Dear Customer,

1. In terms of the provisions of Prevention of Money Laundering Act 2002 and the guidelines issued by Reserve Bank of India, customers are to update their customer identification data (including recent photograph) and address proof for all accounts at banks, which are commonly covered under Know **Your Customer (KYC) norms.**

Please approach the branch officials and confirm if your account is KYC compliant or not. If your account is not KYC compliant, please submit self-attested photocopy of the ID & present residential proof, along with originals for verification at the branch. You may obtain acknowledgement of submission from the Branch Officials at time of submission.

For information & compliance of customers in KYC, the following steps have been taken by the bank.

- Notice was displayed at branches (Ref: 25/07/ 2014, 30/06/2015 & 30/07/2015).
- Publication was given in leading newspapers on 22/07/2014 & 23/03/2015.
- Individual notices were sent to customers whose accounts were KYC non-compliant, on 25/07/2014 & 23/03/2015

Despite such multiple public notices and individual notices and paper publication of the notice, we find that some of the accounts are still not KYC compliant.

Hence as a first step towards controlling & mitigating the risk on non compliance of RBI guidelines, the Bank has decided to partially freeze (only credits will be allowed in the account) Operative KYC non-compliant accounts other than NRE/NRO on selective basis applying the norms given below.

1. Accounts with average balance less than Rs. 500/- in the past three months.
2. Accounts not operated (without considering system induced transactions) for the past one year.

To check if your account has been partially frozen on 15/09/2015, the list of such accounts are provided below herewith and can be searched by pressing Ctrl + F and entering your client number (eg; a/c 0021-00123456-190001 should be searched as: 00123456

For unfreezing the accounts, please approach the Branch Manager or the Officer in charge of the Branch.

All customers/account holders are hereby requested to submit necessary KYC documents immediately, failing which please be informed that the Bank will be reluctantly compelled, in compliance with statutory and regulatory guidelines in this regard, to partially or fully freeze the operations in your account (neither debit nor credit will be permitted) without any further notice, at its discretion. The Bank may also, at your risk, responsibility and cost and without prejudice to any other action, which it might take at its discretion, permanently close the account.

2. Multiple Client ID's: Under RBI directives every customer is to have only one client ID in the Bank. In case you have multiple Client ID's in our Bank, they would have been grouped under an Apex Client ID through an exercise (Unique Customer Identification Code) to follow the stipulated RBI guidelines. You may kindly approach the branch and confirm that all your multiple client ID's have been grouped correctly under the Apex Client ID.
